Chapter 11

Case No. 09-50026(REG)

(Jointly Administered)

MAY 25 2010

TO: Clerk of the Court; and
Debtors' General Motors Corporation et al., in c/o Assistant
Secretary and GM Board of Directors Officer Anne T. Larin; and
Joseph H. Smolinsky of WEIL, GOTSHAL & MANGES LLP; and
the United States Trustee Office for the Southern District of
New York, Attn: Diana G. Adams;

PLEASE TAKE NOTICE that this Motion is filed on behalf of the above-named Creditor to enter statutory relief from Honorable Robert E. Gerber's "Order Granting Debtors' Objection To Proofs Of Claim Nos. 02109 & 14938 Filed By Lafonza Earl Washington", dated March 2, 2010 on the grounds that:

1. It violates and breach the Court's approved "Approval Of Bankruptcy Filing 363 Sale and Related Matters" terms or resolved resolutions that AUTHORIZED and DIRECTED each Proper Officer such as Anne T. Larin, in the name and on behalf of the Corporation, to cause the Corporation to enter into, execute, deliver, certify, file and/or record, negotiate, and perform, any and all petitions..., motions, certifications, agreements, , , , instruments (such as this Creditor's Proof of Claim instrument),

affidavits, applications, including the application required for the March 2, 2010, adverse ruling of governmental or regulatory authorities, or other documents and to take such other actions, as in the judgment of such Proper Officer shall be or become necessary, proper, or desirable in connection with this Corporation's Chapter 11 case and the necessity is shown here for this Board's proper consummation.

2. Under FRBP Rule 3007(c) the joinder of objections to more than one claim is prohibited and clearly "2" claims were objected to; the first claim was numbered 02109 and the second claim was numbered 14938 and the Court's Claim Registry should show a third claim number that was prohibited from being assigned by Motors Liquidation Company, the same as the first two were.

3. The Objection Ordered beginning March 2, 2010, was in noncompliance with 28 U.S.C. § 157(c)(1) involving subject matters that were non-core proving the bankruptcy Judge Robert E. Gerber did NOT comply with the requirements of submitting mandatory proposed findings of fact and conclusions of law to the district court judge, further proving that no final order or judgment has entered because ONLY the district court judge can enter it and the objections were NOT "timely" by being noticed "7" months after GM emerged from bankruptcy, yet its Voluntary Petition volunteered to pay this distribution.

4. Pursuant to the FRBP Rule 2015 and FRCivP Rules for discovery within Rules 26 thru 37 a scheduling conference

is requested to be set within the next "14" days for this Creditor and a settlement agent of Debtors' having the direction to make this final settlement, to meet to discuss the claims with authority, direction and duty to settle; this asserted nonforfeiture action is "in rem" arising from applicable Federal statutes of property disposition. See FRCivP Rule 26(a)(B)(ii).

5. Pursuant to FRCivP 26(a)(4) official Form B207 the "CERTIFICATE OF RETENTION OF DEBTOR IN POSSESSION" an official written copy, signed and served is requested certifying that the above-named debtor continues in possession of its estate as debtor in possession, no trustee having been appointed, or in the alternative immediate settlement.

6. In compliance with FRBP Rule 2011(a), Exemplification and a written, signed and served official copy that Debtors GM has qualified as debtor in possession, or in the alternative immediate settlement.

7. In compliance with FRBP Rule 2011(a), Exemplification proof and a written, signed and served official copy that Debtors' Motors Liquidation Company has qualified as the debtor's in possession as of July 10, 2009.

8. In compliance with FRBP Rule 4002(4), Exemplification proof with a written, signed, and served copy of the required cooperation with the trustee in the examination of this Creditors' Proof of Claim, notwithstanding no trustee has qualified, or in the alternative settlement without further delay.

9. In noncompliance with FRBP Rule 9007 the Court did NOT order, designate or regulate that Debtors' et al., give Notice of hearing on debtors' objections to this Creditor's Proof of Claim dated September 29, 2009, or the original writing dated June 19, 2009, and statutory relief is required and demanded.

10. There was no Clerk's Notice of Entry of this Order as is required by FRBP Rule 9022(a) or the statutory service in compliance with FRCivP Rule 5(b) and statutory Relief is required proving the Order was VOID and fraudulent.

11. Dishonor of this Creditor's Proof of Claim, an asserted negotiable instrument is prohibited according to 11 U.S.C. § 362(b)(11) and the dishonor of further delayed payment is protested.

This Notice is served in accordance with FRBP Rule 5005(a) (1) in the district where this case is pending and in support of this Motion all the papers filed by this Creditor since June 19, 2009, is requested to be considered, but FRBP Rule 3001 (f) evidentiary effect prevails by statute.

Re: CLAIM CONSUMMATION REQUEST
The General Motors Corporation
Board of Directors
Approval of Bankruptcy Filing
363 Sale and Related Matters -
Court approved upon the entry of the
Order for Relief dated June 1, 2009,
yet nonpayment of claims "ONE" year afterwards

Greetings Mrs. Larin:

I.

Enclosed you will find a copy of an Order dated March 2, 2010, described as an "Order Granting Debtors' Objection To Proof Of Claim Nos. 02109 & 14938 Filed By Lafonza Earl Washington".

II.

This Order and its Notice without the filing of the required Motion contradicts the GM Board's resolved resolutions of you and each Proper Officer's authorization, the name and on behalf of the GM Corporation to negotiate, execute, and deliver such notes, security and other agreements and instruments and to consummate them, such as EXHIBIT A, this Creditor's Proof of Claim instrument(s).

III.

The GM Board's resolved resolutions did NOT determine that the judge in a nonjudicial Title 11 reorganization had the consummating power, but the GM Board is vested with it.

IV.

The resolved resolutions language did NOT determine that WEIL, GOTSHAL & MANGES LLP was the attorneys for GM nor was the ownership change in compliance with the Federal Rules of Bankruptcy Procedure, Rule 1007(a) (1), regardless of the "Amended Notice Of Change Of Case Caption", dated July 10, 2009, making the caption change to show Motors Liquidation Company.

V.

An Ex Parte Motion For Relief From Judgment or Order against "Objections Ordered" by the Court is demanded and required to set aside the "Objections Ordered" and is attached as EXHIBIT B according to statutory requirements.

VI.

There are many, many frauds in this administration that is NOT a litigation and the Debtors' et al., have agreed that my claims are "UNCONTESTED MATTERS". See EXHIBIT C.

VII.

The fact that Debtors' have witnessed to and acknowledged that this Creditor's claims are "UNCONTESTED MATTERS", yet contradictorily contested them as NOT based on evidentiary or prima facie facts is in noncompliance, with FRBP Rule 3001(f).

VIII.

The "Order Granting Debtors' Objection To Proofs Of Claim Nos. 02109 & 14938 Filed By Lafonza Earl Washington" is VOID due to the Board's resolved resolutions APPROVED by the Court on June 1, 2009, vested "each" of the Proper Officer with the authorization and is DIRECTED in the name and on behalf of the GM Corporation (NOT Motors Liquidation Company) to enter into, negotiate, and deliver such notes, security, certify, file and/or record, and perform, ANY and ALL petitions, schedules, lists, motions, certifications, agreements, instruments (such as the Proof Of Claim instrument of this Creditor's) affidavits, applications, including without limitations, applications for approvals or rulings of governmental or regulatory authorities, or other documents and to take such other actions, as in the judgment of such Proper Officer shall be or become necessary, proper, or desirable in connection with the Corporation's Chapter 11 case.

To the language of the Board's APPROVAL for filing bankruptcy, you are vested with the authority and is directed thereby to consummate this payment transaction according to FRBP Rules 1001 and 9024.

Title 11 U.S.C. § 502(b) requires that the Court SHALL determine the amount of such claim in lawful currency of the United States as of the date of the filing of the petition, and SHALL allow such claim in such amount, regardless of the objection.

The objections under FRBP Rules 3007(d) is VOID it is in noncompliance with 3007(c) limitation of objecting to more than one claim in a single objection prohibitions, clearly "2" claims numbered 02109 & 14938 were objected to in the single transaction dated March 2, 2010.

Thank you for your speedy transacting of this business.
